# I VA

**T**he member of a college class asked to be photographed in her shorts came in without the shorts on. And she posed for me through the window of the room where the

books were. I was looking at her when she came in. She was looking at me when she came in. She was looking at me when she came in.

She was looking at me when she came in. She was looking at me when she came in. She was looking at me when she came in. She was looking at me when she came in. She was looking at me when she came in.

She was looking at me when she came in. She was looking at me when she came in. She was looking at me when she came in. She was looking at me when she came in. She was looking at me when she came in.

I prefer young girls. I like the older, my own age, but I like. They have the same feeling. I like a girl who is older. But not too old. I like a girl who is older. But not too old.

I like a girl who is older. But not too old. I like a girl who is older. But not too old. I like a girl who is older. But not too old. I like a girl who is older. But not too old. I like a girl who is older. But not too old.

I like a girl who is older. But not too old. I like a girl who is older. But not too old. I like a girl who is older. But not too old. I like a girl who is older. But not too old.

**"I fantasize a man  
bare-ass naked—with  
a dick out to here."**

**"I masturbate on my back with  
my legs spread."**

"I like dudes my own  
age, late teens."

"Sex is mostly  
in the mind."
